Young at Heart

An urban gallery of student's art.

APRIL 14 - JUNE 6, 2010

Special Thanks!

CONGRATULATIONS and thank you to all the creative students and teachers for sharing their imaginative artwork with everyone who lives, works, shops and explores downtown. Thank you also to our site sponsors.

DOWNTOWN WINDOWS become a gallery for young imaginations, showcasing the works of talented Manitoba students in kindergarten to grade 12.

CHECK OUT the colourful displays inside downtown's indoor walkway system, including in the windows of the skywalk bridges over Portage Avenue. Did you know you can walk from The Bay to Portage & Main without stepping foot outside? Navigate the walkway system or stroll down Portage Avenue to explore all the whimsical creations brightening downtown lobbies, windows and businesses. Get connected to downtown's great art!
